6 SAEED AZGHADI SAMIEE, ET AL.,

7 Plaintiffs,

8 v.

9 JAMES RIVER INS., CO.,

10 Defendant.

Case No. 2:20-cv-00303-APG-DJA

11 **ORDER**

12 This matter is before the Court on the Plaintiffs' Motion to Extend Time (ECF No. 32),
13 filed on March 29, 2021. The Court also considered Defendant's Response (ECF No. 36) filed on
14 April 12, 2021 and Plaintiffs' Reply (ECF No. 37), filed on April 19, 2021. The Court finds this
15 matter properly resolved without a hearing. LR 78-1.

16 **I. BACKGROUND**

17 Plaintiffs seek to extend the outstanding discovery deadlines by seven months. (ECF No.
18 31). This is the third request to extend discovery. Plaintiffs claim that they are meet and
19 conferring with Defendants and working on resolving issues regarding a neuropsychological
20 examination of Plaintiff along with disclosure of the claims file. Plaintiffs indicate that
21 significant discovery remains to be completed – including depositions and the Rule 35
22 examination. Further, Plaintiffs contend that COVID-19 issues have delayed some discovery
23 completion.

24 In response, Defendant claims that the issues regarding the Rule 35 examination have
25 been resolved. (ECF No. 36). Further, Defendant indicates that this case has already proceeded
26 on a 493 day discovery period. So, no extension, let alone a 7 month extension, is warranted.

27 Plaintiffs reply that there are unresolved discovery issues, including a new motion to
28 compel, and Defendant has contributed to the lengthy discovery period by delaying responses to

1 Plaintiffs' discovery requests. Additionally, Plaintiffs need additional time to complete
2 dispositions.

3 **II. DISCUSSION**

4 The Court finds that there is good cause to grant Plaintiffs' request for an additional
5 discovery extension. It acknowledges that this case has already proceeded through a lengthy
6 discovery period. However, given the complications from COVID-19 and discovery remaining to
7 be completed, the Court finds that an extension is appropriate. However, it cautions Plaintiffs
8 that this shall be the last discovery extension granted absent exceptional circumstances. There
9 does not appear to be any reason why the remaining discovery cannot be completed in this new 7
10 month extension period if the parties are diligent.

11 **III. CONCLUSION**

12 **IT IS THEREFORE ORDERED** that Plaintiffs' Motion to Extend Time (ECF No. 32)
13 is **granted**.

14 **IT IS FURTHER ORDERED** that the following deadlines shall govern discovery:

15 Expert disclosures: November 22, 2021

16 Rebuttal expert disclosures: December 20, 2021

17 Discovery cutoff: January 18, 2022

18 Dispositive motions: February 20, 2022

19 Joint pretrial order: March 18, 2022

20 DATED: April 21, 2021.
